Wake County Senior Games SilverArts Reception & Awards Volunteers

Event Description:

Thank you in advance for your involvement! Wake County Senior Games are for all individuals 50 and up. The WCSG rely heavily on volunteers to help us make these games a success. **The minimum age to volunteer is 15.** As volunteers you would assist with several different jobs associated with individual's events.

For **SilverArts Reception and Awards Cermony** the following jobs will be assigned when you arrive*:

- Set up (place & set up equipment, put out tables, help staff get ready!)
- Help put out refreshments
- Participant Check out (they will remove their artwork from the walls or cases, sign out), give out shirts to those who did not get…
- Clean up (gather and remove equipment, box up left overs, etc.)

You should wear comfortable shoes as you will be walking on hard surface however inside. This is one of two "dressy" events so we encourage "business casual" for this program! We do provide t-shirts for our volunteers on a first come, first serve basis.

We provide some drinks and snacks however if you have special diet needs, please bring! Lunch is not served; you may want to pack a small cooler!

The event location is the Cary Senior Center located in Cary.

You will be asked to sign this waiver when you arrive, or if you'd prefer to print it and sign and bring with you that would be great!

Finally, be ready to cheer on our artists! Invite your friends to come watch this amazing event! And we thank you again for your support!

Event Coordinator: Stefanie Nichols, Town of Cary, stefanie.nichols@townofcary.org or (919)469-4081.

****Although we hope to stick to this time frame, be aware that we may go over or even be done early depending on weather and number of athletes!****

This volunteer opportunity is not to be used towards court-appointed/ suggested community service hours.
