## Event Description:

Thank you in advance for your involvement! Wake County Senior Games are for all individuals 50 and up. The WCSG rely heavily on volunteers to help us make these games a success. **The minimum age to volunteer is 15.** As volunteers you would assist with several different jobs associated with individual's events.

For the **Follies** the following jobs will be assigned when you arrive\*:

- Set up (place & set up equipment, put out tables, help staff get ready!)
- Help put out refreshments
- Assist staff hand out awards on stage
- Clean up (gather and remove equipment, box up left overs, etc.)

You should wear comfortable shoes as you will be walking on hard surface however inside. This is one of two "dressy" events so we encourage "business casual" for this program! We do provide t-shirts for our volunteers on a first come, first serve basis.

The event location is the Garner Performing Arts Center in Garner.

You will be asked to [sign this waiver](#) when you arrive, or if you'd prefer to print it and sign and bring with you that would be great!

Finally, be ready to cheer on our artists! Invite your friends to come watch this amazing event! And we thank you again for your support!
